

**OLD TOWN  
OUTFITTERS**  
ANTIGUA, GUATEMALA

**CURRENT COVID INFO**

## **ENTRY**

### **VACCINE OR NEGATIVE TEST**

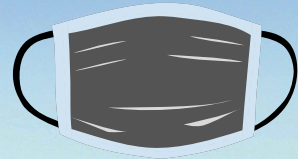

All persons ages 10 and over entering Guatemala by air and land, must present evidence of either a COVID-19 vaccine completed at least two weeks before arrival or a negative COVID-19 PCR or Antigen test result within 72 hours prior to arrival.

## **MASKS**

### **COVER UP, COVER DOWN**

Masks in all public spaces are required by the Guatemalan government. Our staff will be wearing proper face coverings during any indoor or vehicle transfers. We ask that all clients do the same to protect each other and our team. Once we're on the trail and in the fresh air, masks can be down with social distancing.

## **GOING HOME**

### **COVID TEST**

We can setup your COVID-19 test for the day prior to your departure. The medical tech will come to your hotel and results will be emailed to you prior to your flight so you will have the required document for returning home.

**Thank you for your business and following  
the above guidelines.**

**We look forward to showing you the  
adventure side of Guatemala!**
